COMP/2024-2025/20

Subject: Scheduled Maintenance of Computer Centre Network and Systems

All Staff and Students,

This is to inform you that the **Computer Centre** will undergo scheduled maintenance for upgrading our networking infrastructure and performing essential system updates. The maintenance will commence as per the following schedule:

Maintenance Window:

 **Date:** 12th March 2025 (Wednesday)

 **Time:** 10:00 AM to 5:00 PM

During this period:

- Access to internet and intranet services from the Computer Centre will be unavailable. All internal applications hosted on the local servers may experience downtime. Printing and scanning facilities in the Computer Centre will also be offline.

We request all departments and students to make necessary preparations and avoid planning critical activities during this maintenance window. The inconvenience caused is regretted, and we appreciate your cooperation and understanding.

For any queries, please contact the Computer Centre helpdesk at it-support@university.edu or call +91-123-456-7890.

Issued By:

Head of Computer Centre

Prof. (Dr.) Apurva Shah

Director of Computer Centre
