

Placement Drive Agenda

Recruitment Procedure:

Rounds Of Interview	Details
Round 1	- Coderbyte Test (90 Mins)
Round 2	- English Test (30 Mins.) - Logical Test (30 Mins.)
Round 3	One to One Interview (Only for Short listed students from round 1&2) Conducted at our office.

- All students must use their laptops for the tests. Please ensure your device is fully charged and functioning properly.
- To get the better idea about product, students can watch product demonstration videos on YouTube or website tutorials.

NOTE: To make the interview process more effective, we would like to save our time by not doing pre-placement talk initially. We will discuss the same with the selected candidates.
